Funding opportunities for our children

Who we are

The Children's Aid Foundation of the District of Thunder Bay was established in 1985 by the Board of Directors of the Children's Aid Society to handle bequeaths and donations that had accumulated since the early 1970's. Shortly after the Foundation's inception, a large bequeath was provided to the Agency from the late Ms. Pearl Savas.

The generosity and thoughtfulness of donors is critical to ensuring that the needs of our community's children and youth can be met.

Dedicated to the wellbeing of children, an essential goal of the Foundation is to support children by providing them with opportunities to explore, develop and enhance the skills they need to reach their full potential, realize their dreams and enrich their lives.

Your donation helps provide:

- Infant formula, cribs and mattresses
- Payment of recreational fees for sports, dance, music and social clubs
- Back to school Back Packs
- Post-secondary Bursaries
- Computers

And helps support:

- Driver's Education Training
- Youth Advisory Council
- Team Unbreakable Learn to Run Program
- Independence Food Program
- Community Garden

and much, much more...

Your contributions in action

Through the generosity of community donations the Foundation was able to provide a family with specialized formula ensuring that a medically fragile child's nutritional needs were met.

A teenager with a passion for hockey was supported by donations allowing for payment of registration fees enabling this youth to engage in his favourite recreational activity.
